

School Grade Scheduler Reports

The School Grade Scheduler Reports help schools improve school grades by comparing students' test scores to courses the students are requesting and/or have scheduled.

School Grade Scheduler Reports

1. From the **Florida Reports** menu, click **School Grade Scheduler Reports**.

2. Select the **All Schools** check box to pull data from all schools, not just the school selected from the pull-down (located in the header).

3. Select the check box to **Include Inactive** students in the report.
4. Select the **Include Second School** to include students who are simultaneously enrolled in two schools in the report. For example, if a student is attending a high school for core classes, but also attends a technical school as a second school for electives, selecting to Include Second School would ensure the information tagged to the student's technical school is also displayed.
5. Click the applicable report located in the left hand panel; options include [Level 1 or 2 Students Not in Intensive Reading](#), [Students not requested for Dual Enrollment](#), [Students not scheduled for Advanced Placement](#), [Students not scheduled for Dual Enrollment](#), and [Students with no requests for Advanced Placement](#).
