Attendance Scanner App

Utilizing the Attendance Scanner App

1. Start the Attendance Scanner by clicking the App on your iDevice.

2. Students will need to click **Check In/Out**. When clicked, the front facing camera will activate and will allow students to scan the QR or barcodes from their student IDs.

Class	Check In	(୭
Check	In/Out	Ø	
			1
			1
Ed Day of			
Fri Dec 30	- 8:56:5	6 AM	

3. When the student scans in, a pop-up displays with information about their check in (previous or current), which lists the course and the time the student checked in.

	Class Check	'n	0
	Check In/Out		Ø
