- Updated SAT/ACT process file names when requesting files from the test server.
- Added the Institutional Student Number as a valid student identifier when checking whether to import a request record.

Other

Bonus FTE Student Detail Report

- Added Report for AICE. Also added FTE total at the top of each report. The report now looks at new crosswalk table florida_assessment_courses.
- Added new column to AICE report "DOE Reported Course." This column identifies students that have no AICE courses scheduled during the survey 2 or 3 timeframe.

Download DOE & Error Reports

- Fixed an issue that prevented select districts from downloading the Recalibrated FTE and Adjusted Revenue Data file (F60493).
- Removed survey 8 from Demographic and Staff Demographic for 2023-2024. (**NEW**)

EOY Processing

- Updated interface, added logging for each process, and queries can now be dumped straight to a file by checking Download SQL. When using FTE Validation option, the process will now look at new crosswalk table: florida_assessment_courses. AICE Bonus FTE calculation is going through final testing and will be released soon.
- Added ability to calculate AICE Bonus FTE.
- Fixed issue where AICE FTE wasn't being cleared when the process was run. Also the process will now prevent FTE from being awarded if one or more AICE courses weren't scheduled during surveys 2 or 3.

EWS Report
