Survey Accuracy Reports

The Survey Accuracy Reports module serves as a tool for reviewing student data as it pertains to specific state reporting surveys. All reports displayed are linked to the students' schedule records, which can also be accessed for review and/or modifications directly from the Survey Accuracy Reports screen.

Survey Accuracy Reports

1. From the Florida Reports menu, click Survey Accuracy Reports.

The report options at the top of the screen vary depending on the report selected.

- **3.** Select the **Effective Date** from the pull-downs or calendar icon.
 - The Effective Date field only displays when "ELL Students Missing 130 FEFP (Schedule)," "Elem students with less than 150 mins PE," "Elem students with less than 450 mins ELA," "Students Scheduled into a Therapy Course without Exceptionality (D, E, F, G, H, I, X, Y)," "Students scheduled into a Special Skills Course without Special Skills Exceptionality," or "Students with Exceptionality (D, E, F, G, H, I, X, Y) and not scheduled into a Therapy Course" is selected.

4. Select the Survey.

(1) The Survey pull-down only displays when "ESE Exceptionalities With Missing Placement Dates" or "Student Course Records (Missing From Ofile)" is selected.

6. To **Include Inactive** students in the generated report, select the corresponding check box.

7. If needed, select **Include Second School**; this pertains to students who are simultaneously enrolled in two schools. For example, if a student is attending a high school for core classes, but also attends a technical school as a second school for electives, selecting to Include Second School would ensure the information tagged to the student's technical school is also displayed.
